Waiver of Liability on Inside and Semi-Inside Mount Applications: Inside or semi-inside mount blinds may hinder the removal of windows or interior screens for cleaning and maintenance purposes. The retailer has the responsibility to disclose these limitations to the end user at the time of sale and waives Sunland Shutters of any liabilities if the inside / semi-inside mount application is deemed unacceptable to the end-user after installation (irregardless of whether measure and installation was provide the retailer or though Sunland's turnkey program).
