Waiver of Liability on Inside and Semi-Inside Mount Applications: Inside or semi-inside mount frames may hinder the removal of windows or interior screens for cleaning and maintenance purposes. The retailer has the responsibility to disclose these limitations to the end user at the time of sale and waives Sunland Shutters of any liabilities if the inside / semi-inside mount application is deemed unacceptable to the end-user after installation (regardless of whether measure and installation was provided the retailer or through Sunland's turnkey program).
